

Need A Campus Parent Account?

Duncan Public School District values parent engagement and understands that communication plays an important role. One way that parents can be engaged in their student's learning is by using the Campus Parent portal account through Infinite Campus.

Campus Parent portal enables parents to:

- stay informed of their student's attendance, assignments, class schedules, and grades.
- set up notifications, either by email or text, to monitor students' attendance, grades, and assignments
- register their student(s) for the upcoming school year

If you **DO NOT** have a Campus Parent account go to:

- www.duncanps.org
- Click the Parents tab at the top of the webpage
- Click Campus Parent
- Click Campus Parent Request Form
- Complete and then submit the form

You will receive a personalized 32 digit activation key to set up your account via email. You may also access the form by clicking on the following link
