

DUNCAN PUBLIC SCHOOLS TRANSPORTATION DEPARTMENT

P.O. BOX 1548 DUNCAN, OKLAHOMA 73534

Sept 13, 2021

RE: Transportation Area

Thank you for the community and staff support as we adjust to the first stages of our Transportation relocation project. We hope to make this transition as least intrusive as possible on the community and the athletic department.

The Transportation Department is now occupying the full NORTH side of the football stadium parking lot. Any access to the football stadium should be entered by the SOUTH end of the football stadium.

STUDENT ACCESS :

We are asking that parents and staff **do not** enter the bus zone due to the safety concerns surrounding the parking and moving of buses. Parents can pick up / drop off students in the High School Baseball parking lot or South End of Stadium accessed via Beech Ave. We are asking the coaches to please remind the students that they are not permitted to enter the transportation zone. Please ask them to enter at the appropriate entrances and do not cross the fencing or gates that are being provided.

Thank you again for your continued support of these difficult times.

LeeAnn Millan,
Transportation Director
